

Leadership Skills for New Team Leaders

Overview

This programme is for those stepping into their first team/line management roles. You will gain new insights into yourself as a leader and learn how to be confident and effective in this role.

Learning objectives

- Know what kind of a leader you want to be and how to make it happen
- Understand the pitfalls of becoming a people leader and how to avoid them
- Feel more confident acting as a leader and dealing with others with patience and authority
- Learn effective tools for engaging others
- Feel confident dealing with key people management situations

Who is this for?

Teachers considering their first leadership role

Key content

- The Me, Us and It of leadership
- Six pitfalls of leadership
- Your values and strengths as a leader
- Building authority and confidence in your leadership
- Taking others with you
